# Testimonials

After looking at several receptions we found The Grande to be best suitable as Daylan listened to what we wanted and catered to suit our needs. The food and service was excellent. If your looking for a reception i'd definitely go in and have a chat with Daylan!

Had the experience of having my wedding here on a Friday night recently. Amazing hands down!! The whole night run so smoothly and couldn't have asked for a better night. A big super thank you to Daylan and his whole entire team of workers putting everything together from my husband and I. Down to the food, to the red carpet, it was all so perfect with an easy flow. Didn't have to control anything to the point where I enjoyed my own wedding from start to finish with these guys. The night was so much fun and full of happiness, not just for us but our guest as well, it went to quick. But I do hope to visit this reception soon as a guest for another wedding!!!
